ELIGIBILITY

ISDRA awards championship points to current ISDRA Junior Members competing in ISDRA Sanctioned Races. Members eligible to earn points are Junior members, 16 years of age and younger. October 1st shall be used to determine the Junior member's eligibility for the following season.

Junior Championship Points are awarded to the top thirty (30) final positions in each ISDRA Sanctioned Junior Race.

No Junior Championship Points are awarded to non-members entered in the race, regardless of finish position. A Junior ISDRA member does not move up in finish position or points when finishing below a non-member.

Points from a driver's four (4) highest point races in each class are totaled to determine the driver's Junior ISDRA Standing for that class.

POINTS COMPUTATION

Junior ISDRA members' points are based on the number of points assigned to each sanctioned race in each class division on a race by race basis.

Each ISDRA Sanctioned race's allocated Junior Championship Points is computed as follows:

- a. Ten Junior Championship Points will be assigned for each team actually starting the first heat of a race whether the team is driven by an ISDRA Junior Member or a non-member, up to a maximum of one hundred and fifty (150) Points.
- b. Ten Junior Championship Points will be added for every mile of trail length actually run in all heats combined, up to a maximum of 100 Points.

The number of points awarded for trail length will not exceed the number of points corresponding to the number of miles specified in the ISDRA Sanctioning Application. The trail lengths will be stated to ISDRA in miles and tenths of a mile and the points will be awarded in points and tenths of a point.

- c. The maximum total Championship Points assigned to any one Sanctioned Junior Race shall not exceed: 200 points.

CHAMPIONSHIP POINTS AWARDS

Current Junior members of ISDRA are awarded Championship Points based on their finish position and the assigned points for each race according to the standard ISDRA Championship Points calculation procedure.

MEDALS PROGRAM

Criteria for Medal Class qualification are as follows;

- a. At least six (6) sanctioned races per class, must take place in a single season.
- b. These sanctioned races must take place in three (3) regions.
- c. The minimum number of ranked competitors shall be at least nine (9).
- d. To qualify for a medal in any class, a junior member must complete at least three (3) races in that class.

If a sanctioned class race qualifies for Medal Status, the top three (3) contestants with the highest number of total points in that class for the season shall receive medals as follows:
