Annual interviews with the ISDRA Medalists provide insights on improving your team and performances. Bit & Pieces' brings you the latest tidbits of information from widely scattered

races, from veterinary news to trade shows. And you'll want to check out who is having a birth- soon, just so you can surprise them.

• **As a Full or family member of ISDRA** you'll have your complete ISDRA racing records maintained on isdra.org in your Musher profile. You'll want to check here often to see your profile and share it with your friends, family and sponsors. You can print out a well formatted 'resume' of

your racing performances with nothing more than a web browser.

• **As a Full or family member of ISDRA** you are automatically served by the Personal Press release program each time you compete in an ISDRA sanctioned race. • **Also as a Full or family member**, you participate in the ISDRA points system and Awards program each time you compete. Complete standings at the International, National, State/Province and Club level are maintained on isdra.org throughout the season, usually with days of the event. At the season's end, members are awarded Medals and/or certificates to 15 places in the International Standings, 10 places in the National Standings and 5 places in the State/Province standings. ISDRA Medals are awarded to the top three places in each class achieving Medal Status for the season. (Certificates are printed upon request.)
