

International Sled Dog Racing Association

Policy on Championship Points

Adopted June, 2004

ISDRA awards Championship points to all Adult and Junior Full, Family, Honorary and Life members who compete in ISDRA sanctioned races and meet the respective criteria defined in the Adult Championship Points Program and the Junior Championship Points Program.

Eligibility. To be eligible to receive Championship Points in either the Adult or Junior Division, membership dues must be paid prior to the last sanctioned event of the season. Additionally, points may be awarded for only one race immediately prior to the receipt of the dues payment by either ISDRA or the RGO hosting the event. Points will be awarded for all races completed after dues have been paid.

Appeal. In the event of extenuating circumstances, an individual may appeal the deadlines imposed by this policy to the Board of Directors. The decision of the board will be final.
